The Pinnacle Release at Altura is now on sale, introducing larger, lifestyle-sized blocks with sweeping, elevated views of the regional sporting precinct, hillside, and beyond. Set up in the Altura hills, taking in the wetlands, pastoral rises, and new sporting amenity, the Pinnacle Release is perhaps the best new land offering you'll find in Drouin or Warragul. Just five blocks are available in this extremely limited release, so you'll need to move fast to secure your spot above the rest.
